

ILSPAC Power Adapter Cord

User's Installation Guide

Power Adapter Cord for ILS120 Surge Protector

The Current Audio ILSPAC is a special Power Adapter Cord for the ILS120 Surge Protector. The purpose of the ILSPAC is to allow the ILS120 Surge Protector to be used on Slim Line TV's and other female 3-Prong plugs that do not have a removable power cord. You can also use it to take advantage of the unused IEC outlets on the back of some PC's to power printers, monitors and other 120VAC devices.

To install the ILSPAC Power Adapter Cord proceed as follows:

1. Plug the male IEC end of the ILSPAC into the female end of the ILS120 Surge Protector.
2. Now plug your slim line LED TV or other 3-prong cord device into the female U-ground of the ILSPAC.
3. Plug the low profile male end of the ILS120 into a standard 120VAC wall outlet.
4. You now have in-line protection against lightning and power surges for your device.

The ILSPAC is one foot in length and can handle 10 amperes.

ILSPAC Power Adapter Cord

Limited 5 Year Warranty

Current Audio, LLC speakers and accessories are warranted to be free from defects in materials and or workmanship to the original retail purchaser for a period of 5 years provided the equipment was purchased and installed from a Current Audio, LLC Authorized Dealer.

In the event of defective materials and or workmanship, Current Audio, LLC will, without charge, repair or replace, at its option, the defective product. In order to make claim under this Warranty and to obtain performance of any obligation under warranty, please contact Current Audio. Instructions will be given on how to return the defective product to Current Audio. Returned products must be shipped prepaid. Proof of purchase must be provided with the product.

The Warranty does not apply to damage not resulting from defective materials and or workmanship while in the possession of the original consumer or due to unreasonable use by the original consumer, which includes but not limited to improper installation, negligence, unauthorized repair or modification, aesthetic deterioration from the environment. Products purchased by unauthorized sources will void the warranty and not be honored.

Current Audio, LLC is not liable for any incidental or consequential damages, so the above limitations or inclusion may not apply to you. This warranty gives you specific legal rights, and you may have other rights, which vary from state to state within the United States.
